Subject:	Missing Documents
-----------------	-------------------

Dear Sir,

Following the retrieval of USPTO file of Patent Application 09/398,289 and comparing to my own file, quite few documents were noted as missing.

Five documents that are missing from the USPTO file are attached here. Please incorporate them into the USPTO file.

One missing document in Applicant file is a Notification of Non-Compliance With 37 CFR 1.192(c) mailed 03/16/2004.

Following is a detailed reference to these documents:

List of documents missing from USPTO file:

1. Date: June 21, 2002
Title: Change of Correspondence Address – Application
Summary: A request for correspondence address change
2. Date: March 13, 2003
Title: Appeal Brief
Summary: Re-informing Mr. Al-Alam that a brief was faxed to USPTO on February 11, 2003
3. Date: November 23, 2003
Title: Memorandum
Summary: Indicating no response from Mr. Al-Alam to the Inventor's communications
4. Date: September 18, 2004
Title: Memorandum
Summary: Indicating no response to the Inventor's communications
5. Date: October 30, 2004
Title: Memorandum
Summary: Indicating no response to the Inventor's communications

The documents are marked with the above ordinal numbers for convenience and are completed with fax delivery confirmation.

Please add the attached documents to the USPTO file

Missing Document in Inventor's file:

1. Date: March 16, 2004
Title: Notification of Non-Compliance With 37 CFR 1.192(c)
Summary: Response to Appeal Brief filed on February 11, 2003.

Inventor's remarks:

1. The Inventor's Appeal Brief was filed on February 11, 2003
2. On April 1, 2003 the Examiner sent a Notice of Non-Compliance noting mainly that the Appeal Brief does not contain items per 37 CFR 1.192(c).

3. On May 11, 2003 The Inventor responded to the Notice of Non-Compliance
The response referred mainly to 37 CFR 1.192(c) indication that reply by the inventor pro se does not require the inclusion of items under 37 CFR 1.192(c). Exact reference was provided with this reply.
4. The May 11, 2003 response never received a reply by the Examiner in spite of many status requests (some of them are in USPTO file and some are not and are attached here).
5. On March 16, 2004, 10 months after the Inventor's response to the first Notice of Non-Compliance, the Examiner sent another Notice of Non-Compliance.
 - a. This March 16, 2004 Notice of Non-Compliance is a replica of the April 1, 2003 sent 11 months before.
 - b. The new notice ignores the arguments sent by the Inventor on May 11, 2003 relating to the same points. The May 11, 2003 response arguments, therefore, seems to be valid also for the new Notice of Non-Compliance.
6. If the Appeal Brief is still in any fault, The Inventor would appreciate a reply to the arguments faxed on May 11, 2003, for which the Inventor requested reply in many communications before.

Sincerely,

Haim Melman / Inventor

November 23, 2003

Dear Sir or Madam:

This fax is directed to you as I ceased to receive any responses to my communication from Mr. Shahid Al Alam following my filing of an appeal.

Could you please help me in this matter to get the file on track and handled as required.

Allow me please to present the role of events:

9/27/1998	Patent application 126373 filed in the Israeli Patent Office
9/3/1999	I sent a request to file a patent application in USPTO with the Israeli priority date
9/20/1999	Application was filed in the USPTO as 09/398,289
2/17/2000	Following a trip for one year to the USA I assigned the power of attorney to Eitan, Pearl, Latzer & Cohen-Zedek to follow-up on the application while I was away

	from my correspondence address in Israel.
8/28/2001	Office action from Mr. Shahid Al Alam was sent to Eitan, Pearl, Latzer & Cohen-Zedek.
11/23/2001	I was back in Israel and took-over the handling of the application. I sent a reply was sent to Mr. Shahid Al Alam stating that I handled the reply myself. The reply disclosed, in details, that the statements presented by Mr. Alam from the references had no ground and were not existing in the references. Mr. Alam was requested to allow the claim accordingly.
4/10/2002	A final office action from Mr. Shahid Al Alam was sent to Eitan, Pearl, Latzer & Cohen-Zedek.
6/20/2002	I had an interview with Mr. Alam where he stated, for example, that a claim 1 can not be accepted as it is too broad and is also omnibus. I could not understand a "too broad" as a basis for rejecting a claim. Also, I could not see that any claim was omnibus. The interview did not provide any insight to the office action.
7/9/2002	A reply to the offices action was faxed to Mr. Alam. The reply presented in details that Mr. Alam misquoted from the references and presented it in a misleading interpretation enabled by misquoting. The record of the interview of 6/20/2002 was attached to the reply. A reference was made to USPTO definition of omnibus to show there was no ground for Mr. Alam to present claim 1 as omnibus.
8/23/2002	Change of Address was filed representing myself for correspondence matters.
10/9/2002	Appeal forms submitted
10/24/2002	Message sent to <u>myself</u> : A notice of Appeal was filed 10/9/2002
2/10/03	Mr. Alam send a notice to <u>myself</u> suggesting to find an attorney to file the Appeal Brief.
2/11/2003	Appeal Brief that I prepared by myself was submitted
4/1/2003	Mr. Alam sent a notification of non-compliance of the Appeal Brief to <u>Eitan, Pearl,</u>

	<u>Latzer & Cohen-Zedek</u> instead of myself
5/11/03	I sent a fax to Mr. Alam indicating to him the lost of time due to sending the non-compliance to the wrong address. I also indicated to Mr. Alam that representing myself releases me from the requirement to comply with <u>37 CFR 1.192(c)</u> (http://www.uspto.gov/web/offices/pac/mpep/documents/1200_1206.htm#sect1206)
6/5/2003	A letter was sent from Welsh & Flaxman LLC presenting that Mr. Alam contacted them as being listed as attorney of record in the file (which they did not understand). They wrote me that Mr. Alam
6/16/2003	I wrote Mr. Alam a fax including a Revocation of Power of Attorney form to resolve the new communication halt.
7/29/2003	I faxed a memo to Mr. Alam requesting for response to my 6/16/2003 fax and file status statement.
9/28/2003	I faxed a second memo.
11/23/2003	As of today I received no response.

May I mention also that another patent application 09/492,863 examined by Mr. Alam was removed by a Notice of Abandonment mailed 25 September 2002 indicating that applicant failed to reply to the office action mailed on 31 January 2002.

I proved that I faxed a reply on time: 3 April 2002. I sent the reply to two fax numbers 703-746-7239 and 703-308-6606 and the abandonment was canceled. Mrs. Lesley Wong found the faxes in place on USPTO computers at now time. Yet, none of the replies arrived at Mr. Alam's desk enabling an abandonment notice.

My fax number and email address is provided here to enable fast and simple way to deliver any information: +972-9-7679699, haim@infobit.com.

Sincerely,

Haim Melman / Inventor.

Dear Madam and Sir:

On September 18, 2004 I emailed to you the attached email and documents (letter of September 18, 2004 and letter of November 23, 2003).

As of today I received no response to this email.

Please advice on the status of this matter.

May I briefly present my complaint regarding the handling this patent application:

1. First office action indicated prior art paragraphs that provided no support whatsoever to examiners rejections. So it was presented to the examiner in my reply.
2. The second office action included clearly misleading out-of-context quotes from the same prior art reference. This was presented to the examiner in the reply.

3. Since then it seems I face any possible method to exhaust my resources and create a situation of abandonment.
4. This seems to reflect also in patent application 09/492,863 handled by the same examiner, where in spite of replying on time to first office action to 2 USPTO fax numbers, the examiner responded with abandonment due to no reply (my reply was easily found in the USPTO and the application was revived).

My situation with these applications with this specific examiner is extremely unusual.

I would greatly appreciate your involvement in this matter.

Sincerely,

Haim Melman,

Inventor

Title: APPARATUS AND METHOD FOR SEARCH AND RETRIEVAL OF
DOCUMENTS

Memorandum

Assistant Commissioner for Patents
Washington, DC 20231

November 23, 2003

Dear Sir or Madam:

This fax is directed to you as I ceased to receive any responses to my communication from Mr. Shahid Al Alam following my filing of an appeal.

Could you please help me in this matter to get the file on track and handled as required.

Allow me please to present the role of events:

9/27/1998	Patent application 126373 filed in the Israeli Patent Office
9/3/1999	I sent a request to file a patent application in USPTO with the Israeli priority date
9/20/1999	Application was filed in the USPTO as 09/398,289
2/17/2000	Following a trip for one year to the USA I assigned the power of attorney to Eitan,

	Pearl, Latzer & Cohen-Zedek to follow-up on the application while I was away from my correspondence address in Israel.
8/28/2001	Office action from Mr. Shahid Al Alam was sent to Eitan, Pearl, Latzer & Cohen-Zedek.
11/23/2001	I was back in Israel and took-over the handling of the application. I sent a reply was sent to Mr. Shahid Al Alam stating that I handled the reply myself. The reply disclosed, in details, that the statements presented by Mr. Alam from the references had no ground and were not existing in the references. Mr. Alam was requested to allow the claim accordingly.
4/10/2002	A final office action from Mr. Shahid Al Alam was sent to Eitan, Pearl, Latzer & Cohen-Zedek.
6/20/2002	I had an interview with Mr. Alam where he stated, for example, that a claim 1 can not be accepted as it is too broad and is also omnibus. I could not understand a "too broad" as a basis for rejecting a claim. Also, I could not see that any claim was omnibus. The interview did not provide any insight to the office action.
7/9/2002	A reply to the offices action was faxed to Mr. Alam. The reply presented in details that Mr. Alam misquoted from the references and presented it in a misleading interpretation enabled by misquoting. The record of the interview of 6/20/2002 was attached to the reply. A reference was made to USPTO definition of omnibus to show there was no ground for Mr. Alam to present claim 1 as omnibus.
8/23/2002	Change of Address was filed representing myself for correspondence matters.
10/9/2002	Appeal forms submitted
10/24/2002	Message sent to <u>myself</u> : A notice of Appeal was filed 10/9/2002
2/10/03	Mr. Alam send a notice to <u>myself</u> suggesting to find an attorney to file the Appeal Brief.
2/11/2003	Appeal Brief that I prepared by myself was submitted

4/1/2003	Mr. Alam sent a notification of non-compliance of the Appeal Brief to <u>Eitan, Pearl, Latzer & Cohen-Zedek</u> instead of myself.
5/11/03	I sent a fax to Mr. Alam indicating to him the lost of time due to sending the non-compliance to the wrong address. I also indicated to Mr. Alam that representing myself releases me from the requirement to comply with <u>37 CFR 1.192(c)</u> (http://www.uspto.gov/web/offices/pac/mpep/documents/1200_1206.htm#sec11206)
6/5/2003	A letter was sent from Welsh & Flaxman LLC presenting that Mr. Alam contacted them as being listed as attorney of record in the file (which they did not understand). They wrote me that Mr. Alam
6/16/2003	I wrote Mr. Alam a fax including a Revocation of Power of Attorney form to resolve the new communication halt.
7/29/2003	I faxed a memo to Mr. Alam requesting for response to my 6/16/2003 fax and file status statement.
9/28/2003	I faxed a second memo.
11/23/2003	As of today I received no response.

May I mention also that another patent application 09/492,863 examined by Mr. Alam was removed by a Notice of Abandonment mailed 25 September 2002 indicating that applicant failed to reply to the office action mailed on 31 January 2002.

I proved that I faxed a reply on time: 3 April 2002. I sent the reply to two fax numbers 703-746-7239 and 703-308-6606 and the abandonment was canceled. Mrs. Lesley Wong found the faxes in place on USPTO computers at now time. Yet, none of the replies arrived at Mr. Alam's desk enabling an abandonment notice.

My fax number and email address is provided here to enable fast and simple way to deliver any information: +972-9-7679699, haim@infobit.com.

Sincerely,

Haim Melman / Inventor.
